Nicaragua (Cultures Of The World, Second)

Synopsis

Nicaragua is a country full of colorful wildlife, dramatic geography, and natural wonders. It is home to a diverse population, and has a growing ecotourism industry. This book delves into Nicaragua's tumultuous history from pre-colonial times to the twenty-first century and offers a broad look at this unique place in the world. --This text refers to the Hardcover edition.

ISBN-13: 978-0761419693

Product Dimensions: 8.3 x 0.6 x 9.6 inches

Shipping Weight: 1.4 pounds (View shipping rates and policies)

Average Customer Review: 3.0 out of 5 stars 1 customer review

Best Sellers Rank: #2,943,079 in Books (See Top 100 in Books) #60 in [Books > Teens > Education & Reference > History > Central & South America](#) #149 in [Books > Teens > Education & Reference > Social Science > Anthropology](#)

Customer Reviews

Grade 6-10? Three books that provide much-needed, timely information on all aspects of life today in their respective countries. A pleasing series layout draws readers into the texts through well-placed, excellent-quality, full-color photographs and reproductions. The language is challenging, yet the information is interesting and clearly presented. Organized by topics such as geography, lifestyle, government, language, arts, and festivals, a great deal of material is supplied both for report writers and for general readers. In Haiti, students will learn about the background of the people, their recent political turmoil, and anticipation of Aristide's return to power. Especially interesting here is the discussion of the various ethnic and language influences, as well as the important role of voodoo. The ingenuity and creativity of the Haitian people as a positive factor in this struggling country are rightfully credited. El Salvador traces the history of the Spanish Conquest and the influences of Indian languages and liberation theology on the people. The political role of the United States in recent history should prove helpful to anyone trying to understand the country's recent and devastating struggle against abuse and injustice. Here, too, the arts, especially poetry, play a major

role in everyday life. Finally, Nicaragua presents an engaging look at the Nicas, as the people are called. All three of these well-done volumes conclude with maps, a quick-notes section, a brief bibliography, and a substantial index. ?Nancy E. Zuwiyya, Binghamton High School, NYC Copyright 1995 Reed Business Information, Inc. --This text refers to the Hardcover edition.

This book has excellent photographs and is well written, however it is more suitable for younger readers or adults wishing a more superficial knowledge of the subject matter. It lacks analysis of the historical, political, and economic background of the country.
