Windsurfing - Action For Kids

Synopsis

The wind is tearing at the sail, and the board is pounding across the waves. Windsurfing is salt spray on your lips, sand between your toes and great times with your friends on the beach. In this book, we get an inside look at windsurfers, their equipment and their competitions. Steffen Kjaer is a journalist and the author of the Action for Kids Series. For a year, he followed a group of young windsurfers, and here they all talk passionately about their sport, their friendships and their big dreams. The book is illustrated with impressive photos.
