## **Customer Reviews**

You have to go with the Jewish year. This book is from a long time ago. My friend I purchased it for said he just started reading 1 day at a time so it won't go around the Jewish calendar or holidays but it will provide good inspiration.

This daily meditation book is geared for Jews in recovery. It is not geared for any one addiction but

for all. It is based on the Hebrew calendar but has only one Adar. I've used this book daily for several years.

This review is for the Kindle version. I own both printed and Kindle versions. Using my Kindle, I had hoped to read each day's meditation while on the go. The idea behind the book is to reflect on the seasons of the Jewish year. To do this, you need the Jewish dates in the book to find the meditation for the day. If the date is "May 13, 2010", then the Jewish date is "29 Iyar". Tomorrow you go to the next entry and so on. The print has the Jewish dates, Kindle does not. For example, in the print, this entry starts with the heading "Iyar: Independence Day 29: Healed by Love". Kindle just starts with quoted phrase of the day. Totally backwards. To find my starting point in Kindle, I had to look it up in print then search Kindle. Sheer laziness! The font for the the heading containing the Jewish date and "thought for the day" and the "For Growth and Renewal" section in each day are identical. It should have been "kindled" first time around. I hope whoever "kindled" this title will re-do it and include the Jewish dates.

I thought it would tell me a bit more of the Jewish History

Keeps me in tune with the Jewish calendar and links my Jewish faith with the 12 steps. I'm using it for the second year. Wish I'd had it when I was younger in sobriety.

An excellent book I have used for years. This was sent to a friend.

Very inspirational. Love this book!

The kindle edition has been updated to include the Jewish date for each day's reflection, matching the format of the print edition. It is now easy to follow the daily source of inspiration that is found in this book.
