Customer Reviews

This is a great story about a young lady who had wanted to go west for adventure. A man wanting a wife posted an advertisement for a Bride and the lady answered his advertisement. He asked her to marry him sending the tickets for her to come, she is surprised when his cousin joins her to accompany her to him. When she arrived he was different from his letters and she changed her mind. A great book from at a special price and from a delightful author who keeps me wondering what next for the characters.

This is Susannah's latest book in her Brides of Rose series. It's the story of a girl going out west as a mail order bride but her happily ever after takes a different path.
