A Man Worth Waiting For: How To Avoid A Bozo

Synopsis

Bestselling author Jackie Kendall believes that when you find the right man, you'll be incredibly glad you didn't settle for any of the Bozos you met along the way. Drawing on real-life stories that will have women laughing and crying in commiseration, Jackie explains how to avoid common dating pitfalls and find A MAN WORTH WAITING FOR.

Customer Reviews

Jackie Kendall has been involved with ministry for twenty-five years, working as teacher, counselor, conference speaker, and author. Jackie works with several athletic teams, including the Atlanta Braves and Pro Athletes Outreach (which is involved with professional baseball teams and the NFL). She is also the president of Power to Grow Ministries and the author or coauthor of several books.

I'm reading it now and love it. I'm 24 and a single mom of 2 daughters and i'm already thinking about buying another 2 copies for my daughters to read one day when they are old enough to read/ understand this book. Its awesome and I've gained a lot of insight from it and i'm only on the 4th chapter. -Hold out and wait for your Boaz!! Be like Ruth (virtuous woman) so you can find your Boaz! I highly recommend this to single ladies, especially our younger generation/ teenagers!

Bozo or Boaz? Give this to your daughter, granddaughter and niece to read, read and read again - while in high school - before she goes off to college with all the distractions and peer pressure. Pray

without ceasing that she will take all of this to heart and find her Boaz... not settle for a Bozo. Give it to all the girls in your church youth group. Have a Sunday School class discussing it, etc. Yes, this is a five star book!

The best book I have ever read about finding a man worth marrying. When you think about the possibility of finding this man, why wouldn't a Christian girl want to wait for her Boaz? Frankly even the knight in shining armor doesn't come up to Boaz's standards. This is a Biblically based book with wonderful scriptures references. It really encourages waiting not for the perfect soul mate, but for someone who you deserve. The story of Ruth and Boaz is like a fairy tale, but as Christians we can have faith it really happened and God wants to write our love story too. This book would be well suited for teenagers, and a really good discussion book for singles groups.

The best book out there to teach you not only how a good man should be but this one actually talks about the bad men also!!! The author knew how to write this book. Glory is to the Holy Spirit!

This is a great read, especially if you are a Christian woman who has dated around and been waiting kind of impatiently for Mr. Right. This book brings up a lot of great points that I had never thought about in dating. It is definitely not your typical dating "self help" book. Jackie has the perfect balance of advice and bible application, without being overbearing. I loved it!

This book is fantastic! I will be re-reading it again and again. It is not one of those Christian "out of touch" dating and relationship guides, rather it addresses real life situations that girls face when dating and what to look out for. Wonderfully written and has great advice for single and dating girls.

I had read her original book and will be using this one with a women's Bible study. Excellent source.

This book is full of wisdom and encouragement. Every single girl needs to pick up a copy of this book! And let God write our love stories.
