## **Customer Reviews**

Though this collection contains mostly humorous pieces, some listeners may be surprised to find some of Twain's darker humor as well as a sorrowful essay written after the sudden death of his daughter, Jean. The selections are mainly short and presented in their entirety. Blair Einstein's reading is very good, although he tends to drop the volume excessively on some words in an effort to increase expressiveness, which can sometimes cause the listener to miss a phrase or two. This recording includes such favorites as "The Notorious Jumping Frog of Calaveras County," "The Lesson," "Letter to the Earth," "The Approaching Epidemic," "Plymouth Rock and the Pilgrims," and many more. Attractively packaged, this is a good selection for most libraries needing more Twain.
