Dr. Tony Evans is a pastor, teacher, author, speaker, and one of the country's most respected leaders in evangelical circles. Through his local church, Oak Cliff Bible Fellowship, and national ministry, The Urban Alternative, Dr. Evans promotes a Kingdom agenda philosophy that teaches God's comprehensive rule over every sphere of life as demonstrated through the individual, family, church, and society.

AMAZING BOOK!!! Every Christian man should read this and re-read it. It will prepare young men for adult life and offer wisdom, guidance and instruction to married adult men that need to become a Kingdom Man. Highly recommend!!

Outstanding! This book helps a man who seeks to have an intimate relationship with the living Lord. It gives you an understanding of what it means to live as kingdom man in relation to His God, wife, family, and friends and the culture around him!

Not a hard review to write. We had a Men's Bible Study w/ the DVD and about 15-25 men. They were at all levels of their spiritual walks. This study was great for all levels. You will get your "praise on" after each wk. of study. It's easy to read and follow. KINGDOM MAN, encourages your walk w/ the Lord and helps you find your place in the Church (home, friends family & work) as a man of G_D. You will need the DVD to get the full effect of this study. With that being said, it is costly for the set. Enjoy, & ptL, tGbtg (praise the Lord, to G_D be the glory. Yours in CHRIST, Bro. kennard, SERVANT

It's the bomb study.

This is an awesome study on how to be the man God intended you to be. Our church is going through the study now. I would suggest that if you are going to do this on your own, that you purchase the DVD along with it. The DVD is an amazing study in itself and adding this book to it will allow you to complete those fill in the blanks to better understand Tony's points and provide an overview through the study. Be aware, that this book will only be as good as the effort you put into it, there are daily readings and questions to answer. Truth is required here and it can almost be a "journal" of where you are at with God.

Most excellent material. I am using it in a Bible Study for men. We currently have about 60 guys going through this study together.

The perfect gift for my newlywed nephew. He said applying the process was very helpful.

I truly loved this book I bought copies for friends
