We borrowed this book from the Library. We like the recipes so well that we had to have a copy of the book for our own. We have found that you can't go wrong with most of the soups in this book, knowing that not all recipes will suit everyone.

This is a very simple cookbook

the recipes are not hard and do not take a lot of ingredients.

I love this cookbook. There is a soup for almost every ingredient and all of them are very easy to make. Well worth the cost of the book!

Loaded with good recipes.

I have used several of the recipes in this book and all have been wonderful. I have many of the Taste of Home series and have been happy with all of them.

Just in time for Fall and loaded with some great recipes. Glad I have it.

Loved it! Taste of Home Soups book, looked and seemed brand new. Will enjoy most of the 380 recipes for many years to come.
