Crafts & Hobbies > Metal Work #151 inÃ Â Books > Cookbooks, Food & Wine > Regional &

International > U.S. Regional > Cajun & Creole

## Customer Reviews

I selected KINDLE but then it went to my phone. I need it on the Kindle please, not my smart phone.

Not much of a book. It is more like a web post. This might be good directions for making the chile roaster, but it does not look like a DIY project to me. It would require some skills that most of us don't use often. I am glad I did not pay for this.
