Customer Reviews

"This handbook is recommended for any rare book and special collections librarian, teachers and students in library science, or anyone charged with the care of rare books." - College & Research Libraries
"Special collections librarians and practitioners overseeing rare book collections of varying sizes within an academic, public, or special library setting may find this work useful. The novice and those who supervise professionals that manage rare book collections will benefit most." - Library Resources and Technical Services
"Galbraith and Smith's Rare Book Librarianship is a logically structured, practically oriented introduction that covers all the essentials of a demanding and complex field in a concise and engaging style." - Australian Library Journal

Steven K. Galbraith, PhD, is curator of the Cary Graphic Arts Collection at Rochester Institute of Technology and former Andrew W. Mellon Curator of Books at the Folger Shakespeare Library in Washington, DC. Geoffrey D. Smith, PhD, is head of the Rare Books and Manuscripts Library at

The Ohio State University, Columbus, OH.

I work as a rare book librarian for a private book club. It is not my day job. This volume was well worth the price and has offered me much insight.
