The Hutterite Community Cookbook

Synopsis

Rear cover notes: "This collection contains the current cuisine of one of North America's traditional communal groups. Many of the recipes have been handed down for generations. Food preparation is serious business in a Hutterite colony. Some 85 to 100 people, hard-working adults as well as active children, come to the communal dining room for three meals each day. While their principle of simplicity influences them to create basic and robust dishes, the Hutterites fill their tables plentifully and then enjoy what they eat. Here are original recipes in large quantities for Hutterite dining halls, printed next to adaptations of each recipe for average-sized households. Included also are weekly menus, menus for special occasions, notes on the role of food among the Hutterites and a brief introduction to these unusual communities."

Book Information

Paperback: 224 pages

Publisher: Good Books; 1st edition (May 1, 2013)

Language: English

ISBN-10: 0934672563

ISBN-13: 978-0934672566

Product Dimensions: 10 x 7.1 x 0.5 inches

Shipping Weight: 1.4 pounds

Customer Reviews

With The Hutterite Community Cookbook you not only get an excellent cookbook but you also receive a fascinating study of the Hutterite Community. A recent reality show has sparked some interest in the Hutterites. No study of American cuisine would be complete without the Hutterite Community. Hutterite cooking is quite similar to Amish cuisine. Wholesome and hearty farm style cooking. The German influence is very apparent in Hutterite cuisine. Among the topics covered in The Hutterite Community Cookbook are breads, desserts, meat dishes, salads, soups, and canning. There are even three recipes on how to make your own baloney! The recipes are easy to follow and you should have no trouble finding most of the ingredients. However, you might want to consult with

a good butcher on some of the meat dishes. The photography in The Hutterite Community Cookbook is superb. This book is a fun read even if you don't make any of the recipes. However, after you read those wholesome recipes I think you'll want to give them a try. The author, Joanita M. Kant did a great job with this book.

most excellent can't wait to try recipes. those hutterites who can cook

this is a very interesting book to look at and read it has recipes for a crowd and recipes for home use
