Customer Reviews

I bought this for my classroom in a catholic school. So far it is working very well. Simple prayers for students who are not comfortable leading on their own.

This is a great book for religion teachers to use for Junior and Senior High students. The book covers all the holidays, religious and traditional, plus many issues kids face throughout their school life.

This is the classic resource for High School ministry. Staff and students comment on the relevance of the prayers! A valuable and much-used book. Can't imagine going a week without using 'Let's Begin With Prayer'. Thank you Mitch Finley.

A wonderful variety of prayers for many occasions. I use it almost every day at school. The students

like it so much that two of them requested copies for graduation presents.
