Great Bible study, My ladies group did this one together and we loved it!

One of the best Bible Study material out there. The questions are in depth going through the observation and interpretation stages then there are also good application questions as well. Highly recommended.

Awesome.

Well written, easy to understand and use for teaching. Excellent suggestion Highly recommend it.

Arrived sooner than promised and exactly as expected-thanks

The bible study book I ordered 1 Corinthians by NavPress came in perfect condition and quickly. Cost only \$4 total vs \$10 from the website! I was very pleased.

This series stands on its own no matter what book you are studying. The 1 Corinthians book is no exception. Well written and to the point, these studies dive deep yet do not belabor any points in studying a "church gone wild" as Paul would probably say today. This book is for a small group that wants to dive into Bible head first and get what they put into it. You will not find the latest views on church policy and/or movements wasting ink on the page. This book is the Bible...studied.

Delivered quickly and is everything I expected.
