# Mo' Urban Dictionary: Ridonkulous Street Slang Defined

## Synopsis

I have seen the future of slang dictionaries, and its name is urbandictionary.com. --Times (London)\* Move over Merriam-Webster, Oxford, and American Heritage; your version of truthiness has hit the marble ceiling. Compiled from the wildly popular Web site urbandictionary.com, Mo' Urban Dictionary: Ridonkulous Street Slang Defined includes more than 2,000 of the latest contemporary slang entries.\* Since the site's founding in 1999, more than 2.5 million definitions have been submitted. Thousands of new words and definitions are added each day.\* Each alphabetized entry includes a word, a definition, and a sample sentence. Applejacked: Having your Apple iPod stolen. Dude, on the train last night I totally got Applejacked! bacon bit: A rent-a-cop; not good/important enough to be referred to as a pig or bacon. I thought we'd be in trouble when the 5-0 started rollin' up, but then I realized it was just the bacon bits--mall security. cruiser spoon: To park two police cruisers with the drivers' sides adjacent so that the officers can converse through the open windows. Better slow down, the po-po are cruiser spooning in the parking lot ahead.

Founded in 1999 by college student Aaron Peckham as a parody of the dictionary, UrbanDictionary.com features definitions written by people from all over the world. Since then, Urban Dictionary has been cited in court, in graduation speeches, and by countless media outlets, including CNN and Time magazine. Aaron listens for the newest words and phrases in the San Francisco Bay area. Online: [UrbanDictionary.com](http://UrbanDictionary.com)

While I enjoyed the previous edition of this idea, this book left me feeling a little cheated and a bit let down. It seems as if this publisher is now stretching thin a once good idea. Sure, there are more than enough unusual and interesting entries to give you a few nights worth of guffaws, but overall, you can get more from just visiting the website or signing up for their 'word of the day'. I usually purchase a lot of pop-culture dictionaries and reference books, but this isn't one of the better ones by a long shot. Try these if you're so inclined:

1. McGraw-Hill's Dictionary of American Slang and Colloquial Expressions
2. Knickers in a Twist: A Dictionary of British Slang
3. From Grill to Dome: A Dictionary of African American Slang Words and Phrases
4. The Oxford Dictionary of Idioms
5. Talk the Talk: The Slang of 65 American Subcultures
6. The Devil's Dictionary
7. The Devil's Dictionaries: The Best of the Devil's Dictionary and the American Heretic's Dictionary

It came undamaged which is amazing since shipping just tossed it in a box with everything else. I usually order just books when I want a book just for this reason. When the order is just books they do a better job of packing but this time the book was on sale. Okay to buy as a gag gift for this price.

Funny, good gift for foreigners and older generation ppl with a sense of humor.

Great reference for urban slang. Know what I'm sayin'? Presented in an informative and funny way. Know what I'm sayin'? Anyone working with youth or in the prison system could benefit from this read. Know what I'm sayin'?

Great read and super fun to pull out with friends and family. Very witty and easy to relate to. Highly recommend to those with a great sense of humor and love for laughing.

Book is clever and very apropos at times. Great funny gift. anyone who wants to know how to translate today's jargon, it's a must have.

Huge hit with the high schooler!

Mo funny reading from the Urban gang. A bunch of my crazy work friends sat around and read from this and laughed for hours.
