Audrey Rose

Synopsis

The Templeton family's peaceful lives are plunged into chaos when their young daughter, Ivy, begins to be stalked by a strange man who believes their daughter is the reincarnation of his daughter, Audrey Rose, who died in a fiery car crash. Frank De Felitta's *Audrey Rose* (1975) was one of the best-selling horror novels of the decade, selling over 3.5 million copies, and it remains a chilling classic of modern horror.

Customer Reviews

I am as impressed with this book as I am the movie, maybe because of the movie, or vice versa. Vibrant emotion, thrilling philosophies, an edgy court case... a classic read, for sure.

This first account of Audrey Rose aka Ivy Templeton is a bit simplistic and lacking depth or character believability. If you like real gothic tales and don't mind a bit of farfetched plot here and there, the story will appeal. I have read it without seeing any real value other than momentary entertainment. I will pass it on rather than keep it as valuable prose.

This book is very 1970's, but I really enjoyed it. Following the fate of the family after this stranger comes into their lives is gripping, and the ending is absolutely unexpected.

awesome condition very satisfied

Find my full review on Goodreads under my profile, which is SpaceBrew. This was a great book and an exciting read. I couldn't put it down. Even though the story is some thirty-plus years old, it holds up. I was really surprised at how good it was. Very suspenseful, frightening and well written. Heck yes, friends, give this one a shot.

The book arrived in a timely manner and was in condition described. It was packed very well. Thank you very much. If the occasion arises that I need to use this vendor again, I will do so with pleasure.

Good

I wanted to read a fiction about reincarnation and this story was exactly what I was looking for. Entertaining and educational at the same time. I would have given it 5 stars if it had been tightened up about 40 pages less. A little long in places.
