Customer Reviews

So cute! probably best for a 4 yr old or older but my daughter (who is 2) is enjoying it. it has a lot of activities that you need to be a bit older to follow- but that's not slowing down my daughter! It would be a great purchase for someone to have at the wedding to keep a flower girl busy during the reception! just a thought!

I got this and another book for my flower girl. Her face lit up and she spent a long time looking through these when it was free time at the church for rehearsal and pictures. It helped keep her occupied. She enjoy doing the activities and the stickers. She was 6. Great gift for a low price. Win win!

Took over 2 months to receive this little book. I suggest you allow for plenty of time when ordering, or verify with seller the availability of this book. It is a cute activity book suited more for girls that can read instructions (6-8 year olds). However younger girls will have fun coloring the pages and using the 300 stickers included. I know our little flower girl will have plenty of fun with it.

I ordered two of the books for my flower girls. The book is pretty cute and includes a lot of activities for the girls to do. I am sure they will love them.

My 4-year old niece loved this gift when I asked her to be my flower girl. The activities seemed perfect for this age and she loved the stickers (they aren't extravagant but this 4-year old loved them!!) Great purchase for the price!

We bought two and our nieces loved them - really cute way to ask them to be in our wedding.

Cute little book for flower girls. Age 4 and 6 both enjoyed it.

Super cute. Amazing for the price. Lots of stickers & activities.
