Kase-san And Bento

Synopsis

A critically-acclaimed yuri manga series! Kase-san and Bento is the second release from Hiromi Takashima's ongoing yuri series about a high school romance between the clumsy, flower-adoring Yamada and the exuberant Kase-san, the school's track and field star. Yamada may be shy and rather clumsy, but the flower gardens at her school have always brought her happiness. Suddenly, a different sort of beauty catches her eye—the vivacious track star Kase-san. Although the two girls don't seem to have much in common, they soon start a romance where each must learn an important lesson in tending their budding relationship. Can the two girls, so different from each other, learn how to make their first love blossom?

Customer Reviews

Hiromi Takashima is a yuri manga creator best known for her work on the Kase-san series of books.

Another adorable chapter, I love how soft and kind it is, how Hiromi Takashima shows the anxiety in the relationship from both sides, how Kase-san has clearly dated girls before only to have it end badly, or how anxious Yamada is about people in general and the whole relationship, but they still both clearly really care for each other. I absolutely can't wait for the next book in the series!

lol I love my lesbian daughters ;3;

I'm still really loving all this cuteness. They're going out now, but neither is quite able to believe that someone they care about so much is really going out with them, and it's just adorable watching them blushing and flustered and coming together again. Highly recommended!
