## **Synopsis**

The Osiris Circle case is ongoing and the bodies continue stacking up. Detective Sam Baker, with help from some very skilled police academy cadets, Agent Aaron Boudreaux's profiling skills, and FBI tech genius Andrea West, they are closing in on suspected serial killer Lady Olivia Payne. Sam is struggling with his personal life and tired of living a lie, of hiding who he really is. Tired of having to be in control all the time. He's ready to give up that control, to embrace the submissive sexual side he's kept hidden all his life, and he knows just who he wants to help him fulfill those desires. Not one, but two powerful Doms have caught his eye. Sam wants Aaron and Simon to guide him through his journey of self discovery. Aaron and Simon have been together a long time, and Aaron wants a more committed relationship. Simon has his own issues that only Aaron can help him cope with and he doesn't want anyone to know about them. He's afraid adding a third to their relationship would be a mistake. With a killer on the loose, past pains that still cause fresh wounds, and more guilt than anyone should have to carry alone... will the pain be too much for them? Can these three men find the strength, love and courage they need in each other for the chance to share in something that comes once in a lifetime and leaves them Forever Bound?

5 BIG stars Sam - Simon - Aaron Powerful read. Humor, pain, lust, great D/s relationships another amazing read from the Trust series. "I don't know your background, and I don't have to know, but I do understand how it feels to finally know you're home." Sam has his eyes on.....two Doms. This threesome is wonderful put down. Just like in #1 it worked so good. The chemistry and dynamic was strong. All the men with their own personalities. Sometimes it was devastating....and at fifty percent my heart stopped....Amazingly written, it goes deep. At some moments I felt goosebumps all over my body. "and the healing spread" The story around these three beautiful heart melting men, the club and the police case is really well done... all their own stories and all the thrilling also very well put down. All the persons from #1 and #2 are there...but I guess after some logical thinking to put it together you can read this one by itself. It's captivating and also hot as hell. The environments were just....

This is by far the best in the series. Deeper with more drama. You will cry, laugh, yell, and awww throughout the whole book. When I finished I was ready for the next. Yeah it's that kind of read. Addictive and emotionally stimulating. Oh and the sex scenes will have your device smoking. Have your emergency reading kit handy.

Enjoyed learning about the background stories for all three of the guys - Sam, the big tough detective who yearns to be someone's cherished submissive; Aaron, the FBI profiler who prefers to Boston even though he is most definitely a Dominant; Simon, the big tough ex-military guy with PTSD episodes that turn this Dom into Aaron's sub (even though he is definitely not a switch). Their group dynamic is interesting, fun, at times devastating but always extremely hot. This book also has a very interesting secondary story about an ongoing investigation that Aaron and Sam are involved with. It gives us the opportunity to see how these men interact when not in scene. It shines a light on the fact that being submissive does not make you a doormat any more than being dominant makes you controlling.

Wow. Fantastic. Like the other books previously this author has you right there with the characters weaving them together. This is a story of overcoming horrible pasts and healing. Two wounded souls

in Sam and Samuel relying on Aaron to help them. This has some hot scenes in this story but also contains some horrible description of their pasts. A fast paced book what switches between the 3 characters. This includes huge twists that totally blew me out of the water I didn't see coming regarding the killer. Detective Sam Baker was craving to explore his personal side more of who he was, and who he wanted as he'd dreamed two Dom's. I loved Sam having an extra kinky side sooo HOT. Being a member of Chase's Club Darkfall would be step one. Aaron- is a therapist and also an FBI profiler part-time. Seeing horrifying things in his time he's also a strong Dom. Simon- was a Dom also a master of shibari bondage. Simon was broken from his horrible past and needed his Master Aaron to help him when it got too bad emotionally from hurting himself. They are a couple but bringing in a third to the relationship needs to be sorted. The Lady Payne killer is still on the loose and more victims are being found until they can stop her. (.aussie)

This is the first of this authors work I have ever read. I am so happy I did! The full story that revolves around Simon, Aaron and Sam is intriguing, frightening and has so many elements to it. I thoroughly enjoyed getting to meet these three men, their friends and watch as they made their relationship a strong and amazing thing. The other characters, most I adored, some I hated, due to their cruelty. This story was so well written with just the right amount of love, caring and kick-assedness. No lifestyle is wrong as long as those involved consent and hopefully love each other or at least have deep respect for each other like Simon, Aaron and Sam do. It was hard to put this book down. It flowed so beautifully. I have read many books that included BDSM but never to this extent but I enjoyed it immensely. I highly recommend this book. I was given an Advanced Readers Copy for my honest review.

WOW. I came into this series without reading book 1 & 2 but soon got into the story and the ongoing investigation. The three main characters all have strong backgrounds. Sam a detective - sent away by his parents to a correctional center to cure him of being gay - who craves to be dominated. Simon - who has PTSD and needs Aaron to be his Dom when he feels the need to hurt himself- is also an equal Dom with Aaron when they have a sub. Aaron - a semi retired FBI Profiler and therapist. In between the investigation Aaron & Simon have been waiting for Sam to come to Club Darkfall. When they find him at one of the doorways they ask him "are you here to watch or play". He walks through the door giving them his answer! They start showing Sam things they can do to him separately and together. How they work together is fun and sexy!!!! There is heartbreaking revelations into Sam and Simon's background but with Aaron they can get through this. Aaron

maybe the most dominate out of the two Doms but he is always thinking of his 2 lovers needs. The sex is super super hot ÃƒÂ Ã,Ã â•Ã Ã¥ÃƒÂ Ã,Ã â•Ã Ã¥ can't wait for the next book
