Customer Reviews

Eric Luper is the author of many books for kids and adults.

Kids love it and it's helping them with their language parts.

The paper quality is so crummy but my kid loves Scooby-Doo and always wants to do these endlessly. I used to love Mad Libs when I was a kid so I'm we can do them together.

Hilarious. Had me rolling on the floor! Best book I've read since the Dark Knight Returns graphic book series!

I bought this for our summer road trip and the kids (6 and 15) both loved it. Kept them entertained and laughing for hours.

Lots of fun for my Grandkids!

Kids thought this was fun!

Mad libs are a fun family game! Lots of laughs!

Very cool! Cousins kids will love it!
