# Bill And Pete To The Rescue

## **Synopsis**

When Little Jane Allison Crocodile is kidnapped by the Bad Guy's Big Bad Brother from Louisiana, Bill and his bird buddy Pete head to the rescue. But Pete gets caught by the Rich Lady and it's up to Bill to save the day. Kids and parents everywhere will love Tomie dePaola's hilarious new episode featuring the Egyptian pair's first visit to the United States.

## **Customer Reviews**

In this third book in the series, the crocodiles find themselves relocated from the banks of the Nile to New Orleans. "Readers will delight in this dynamic duo and will happily accompany them to any continent," said PW. Ages 4-8. Copyright 2001 Cahners Business Information, Inc.

PreSchool-Grade 3AWhen readers last saw young crocodile Bill and his best friend/toothbrush Pete the bird in Bill and Pete Go Down the Nile (Putnam, 1987), they had tricked the Bad Guy, who is now in jail. But the Nile isn't safe yet. The Bad Guy's Big Bad Brother, also a crocodile thief, is in town and has captured cousin croc Jane Allison. Bill and Pete go to her rescue, but through a series of misadventures Pete is made a house pet and Bill ends up swimming in a Louisiana bayou with the local 'gators. A reunited Bill and Pete team up with the 'gators to defeat evil, rescuing the

captivesAincluding Bill's long lost father. This story line is not as smooth or straightforward as in the earlier title. The many plot twists and turns make it far-fetched, even for a talking-crocodile story. The youngest readers may question the "hows" of Bill's adventure. Still, those who enjoyed the earlier capers will want to read this one. They will certainly recognize the scenes at a glance. The illustrations are the same bordered line-and-wash style found in the previous books, and the characters are typical dePaola.AHeide Piehler, Shorewood Public Library, WICopyright 1998 Reed Business Information, Inc. --This text refers to the Library Binding edition.

Bought to cheer up a 30 yr old who had grown up with, and loved, Bill and Pete Go Down the Nile - it worked!! He, his younger brother, and I loved the story and the illustrations. How can a drawing of a crocodile show so much love?!

Bill and Pete are the boys' favorite and this one encourages me to use my nascent Southern accent. Love Tomie DePaola and love Bill & Pete.

A friend from church enjoys reading dePaola books to her two year old granddaughter.

Great condition and exactly right for my nephew. The bad guy is actually called The Bad Guy. Subtly educational and much more interesting than the regular I-Can-Read books. His parents don't mind reading it every night!

I LOVE BILL AND PETE AND I AM 52 YEARS OLD! What charming, timeless books. Every parent should make Tomie dePaola a standard in their child's library.

Love the stories about Bill & Pete! Tomie de Paula has a great sense of humor!Keep writing! My students enjoy your sense of humor.

It's been a pleasure to share these stories with our children and now our grandchildren!

A classic tale of good versus evil, this book is a touching story about the things people (or crocodiles) will do for their family. It teaches that no matter how different you may be with your relatives, you are still family and should help each other.Bill and Pete go all the way from Egypt to the United States to rescue Bill's cousin, Jane Allison. Many mishaps occur, but all is well at the end

of the story. There is also a surprise ending, but you have to read the book to find out. I would recommend this book to anyone looking for a little family-oriented adventure.
