Little children are ripe for spiritual teaching. In fact, they are able to grasp the simple truth of God's boundless love for them in a way that usually eludes adults. How can parents and grandparents effectively communicate Christian truths and moral values to small children? One excellent way is through music. Sing Along Bible Songs features wonderful, full color artwork and plays ten much-loved children's Bible tunes, including such classics as Go Tell It On the Mountain, We Are Climbing Jacob's Ladder, and Only a Boy Named David. Children ages 2-6 will love the marvelous, high-caliber illustrations, and they will spend fun-filled hours playing their favorite songs at the touch of a button. Sing Along Bible Songs not only teaches and entertains but leaves both parent and child humming uplifting tunes. And this book is great for long, fidgety car trips!

Laura Gibbons Nikiel, formerly a "weekday art director and weekend artist," has embarked on her longtime dream of working as a professional artist from her home. She lives in Orchard Park, NY, with her husband and young son, and old Lab, and a scrappy young Boxer

I'm not sure if it's just low batteries in my book but the songs are a little off.

My son got this book as a gift 6 months ago, and he loved it so much that I have to purchase a second one to replace the worn first one. If you love bible songs, this will be a good book to introduce your young child to these 10 songs.

Our daughter, Madison, received this book when she was one. It became an instant favorite. Madison, now three years old, didn't have to wait to enjoy the book. Pressing the buttons to hear music was a thrill from the start. She has always enjoyed pressing buttons--as any toddler would. But what great pleasure she received very early in learning to sing along with us and then singing the songs over again and again. What a fun and appropriate way to learn such great and classic Bible songs. It warms our hearts to know she loves singing Bible songs! We have taken this book with us in the car when we travel short and long distances, so we all get to sing along. Thanks Zondervan for another awesome tool for learning about people in the Bible as well as God's love for us!!! We recommend this book for any child. In fact we have given this book as a gift for many birthdays, baptisms, and christenings. We think it is a lasting gift, because our child is learning not only words, but Biblical truths and stories in song to keep in her heart.
