Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I saw this book from the house of a friend of mine when I was growing up.

I have always enjoyed the music and now I can play along on the piano. easy to follow and play.

My son's piano and voice instructor asked me to find a book of songs from "The Jungle Book." This

was the only one I found. So, I ordered it, despite lack of clear information. Well, it does have all "The Jungle Book" songs. But it is very basic and easy to play. My son is at the intermediate level, so these are too easy for him. I gave this 5 stars because the item is what it says it is: a book of piano music, with lyrics, from Disney's "The Jungle Book." But if you are looking for something above "easy," this is not the book for you. A book by the same author and that looks exactly the same, but is at an intermediate level can be found in the comment section of this review. Images from the 1st page of 2 songs in both books can also be found there.

fast shipping. Really a solid, sharp (very sharp!) product. My old serrated product disappeared somewhere, but I wish I'd bought this one years ago. very comfortable and very fine . 5 star. my best friend need it ,
