This was great! I'm so glad that book 9 had this hilarious ending and great story. Can't wait for book 10!

THATS A NECK! You are the most amazing writer for minecraft. in. HISTORY. HISTORY! meep. yeah, i said it. the way you put this story together was A-m-a-z-i-n-g. SPOILER ALERT. anger management was the best thing you could come up with BY FAR. i think this series is coming along nicely, and i'm looking forward to book ten. wow book ten. i can't believe it's come this far. crafty nichole. not only do we have the same name, but we have the same passion for writing. you are an amazing writer and i will never top you. keep writing, and as i always say: expressing your imagination leads your mind to happiness. nikkips: WRITE ANOTHER MINECRAFT GREIFER BOOK. LIKE NOW ! plsplsplsplsPLS! :3

CN great book! i hope you read this review people i love diary of an angry alex. its a really funny book! in the next book of angry alex could it be steve and alex go to the end and fight herobrine and a army of nether mobs and a giant! Also could you make a 3rd book of diary of an iron golem and a snow golem maby they can you to the end? thx CN

It was weird when heroine and steve both helped him, well because I thought steve was mad because Alex was doing bad stuff to him, and herobrine was dropping Danville on hi- Whoops! Better not be a spoiler! Anyway I'm just saying that this book is the best 'Dairy of an angry Alex' book yet!

This was such a good book and i loved it!!! EVERYONE should read this book even non-minecraft lovers! Crafty Nicole creates the BEST BOOKS EVER!!!!!! So this book is just about how Alex survives the horrible anger management camp that Steve and herobrine makes her go to and how stupid the villagers are!!! LOL!!! If you have not read this book or the whole angry alex series i really recommended it they are all very good! :) -lvyp.s. you should start from 1st book :)

I just finished reading the book and it was great! I have only one suggestion for the book... My suggestion is that if you could add a few pictures (maybe about 2-3 pictures a book?) to accompany the story, so the readers have a bit of an idea about what is going on in the story, if you know what I mean... I hope you take my suggestion even though the books are also very good without the

pictures! Keep on writing, and your stories are great! 20/2/16

Yay it's out:-):-:-)!!! I love the fact that this series, unlike many others, actually has more books coming out quicker! It is an awesome book, and Crafty Nichole: I'm not going to spoil it for the readers, but your idea for this book is AWESOME! It was so funny. I have two requests, (I don't mean to sound selfish or rude in any way) #1: Can one of your awesome reviewers be me? My name is NinjaBoy899 thx. #2: In the next book, after Alex and Steve blow up the awesome idea (again, trying not to spoil), can they meet a new character named Gavin? He would be a boy villager, but unlike any other villager, he has a funny, cool, personality and listens to music a lot. At some point, Alex and Gavin will cross again and be friends, and work out plans (schemes if you call them that) to have revenge on Herobrine and Steve. Thanks, and please take these ideas into consideration, again stating that your books rule over all, your faithful reader from the start, NinjaBoy899

Love your books need mooooooorrrreeeee. I love your books and I can't be live that you have got this far. I would love you to continue the series I know that I'm just some random reader too you but I love your books. I would love you to make a book based on a user like the gamenight999 ones. Even through I'm just some random old reader too you I'm support you. I hope that you took the time too read this. ÅfÅ Å Å,Å ÆœÅ Â•ÅfÅ Å Å,Å ÆœÅ Â•ÅfÅ Å Å,Å ÆœÅ Å“
