Heir Of Shadows (Daizlei Academy Book 1)

Synopsis

Have you ever felt bloodlust so strong, it makes you want to kill? I do. Everyday. But I deny it, because to acknowledge the whispers is to give them power. To make them real. And then we could really be in trouble. You see, my sisters are the only other Supernaturals I've seen in over five years. That's a long time to be the only thing standing between Alexandra and burning a house down. To stand between Lily and her depression. To ignore the killing gene and my demons who cause it. Lucky for me, everything is about to change. My name is Selena Foster, and I was just shipped off to a Supernatural boarding school along with my sisters. I should be thrilled we are not alone. I should be grateful to leave the human world. I am not. Someone has been hunting me, and without the human world to hide us, they're bound to catch up. Hell have mercy on their souls when they do, because I won't. Books in the Daizlei Academy Series: Heir of Shadows (Book 1) A Trial by Heist (Book 1.5) Scion of Midnight (Book 2)

This book was great. I cant wait for the next book in the series. I've never read a book by this author but I'm glad i did now. Im gonna die waiting for the next book.

I had never heard of this author or series before, and then I read an excerpt and thought, "Sounds good and fresh!" I am so glad I decided to read it! On to the next book!

Great start to a new series. The three sisters, and story line keep you guessing. I cannot wait for the next book.

I really enjoyed this book and hope the author finishes the next one soon! It was well written and I finished it in one day.

Finished this book in less than a day. I felt everything that she felt, reading this book felt like riding a rollercoaster, with all the ups and downs and exhilaration

It was a very interesting read. I am looking forward to the second in the series. It has great potential to be a fascinating series.
