Women And Politics: Paths To Power And Political Influence (2nd Edition)

Synopsis

Updated in a new 2nd edition, *Women and Politics: Paths to Power and Political Influence* analyzes the most recent research in the field while maintaining a focus on the historic events and key players in the women's movement. Profiling a diverse group of political women and their experiences in the world of politics, this book recounts the paths women have taken to gain power, analyzes the elite status female politicians have achieved thus far, and questions the continued underrepresentation of women in politics today.

Customer Reviews

"My students have found *Women and Politics* to be an accessible text covering many facets of gender politics often overlooked by other scholars. I look forward to using the second edition, which incorporates the most recent scholarship along with timely coverage of important women in politics such as Hillary Rodham Clinton, Sarah Palin, Michelle Obama, and Sonia Sotomayor."
