Slow Devon & Exmoor (Bradt Travel Guide Go Slow Devon & Exmoor)

Synopsis

Slow is a new series from Bradt that encourages visitors to slow down and savor the best of Britain's rural destinations. The series's three launch titles are *Slow Devon*, *Slow Norfolk & Suffolk*, and *Slow Yorkshire*. Each is written by an author resident to the area, and delves into unsung delights and personal favorites not covered by other guidebooks, from conservation projects to boat trips, wildlife holidays, restaurants using locally sourced ingredients and scenic walks. The series is published in conjunction with Alastair Sawday, whose book *Go Slow England* is drawn from a nationwide database of restaurants, accommodation providers and other businesses.

“Slow guides take time to point the way.” - Hugh Fearnley-Whittingstall

Hilary Bradt is the founder of Bradt Travel Guides; she has recently moved to Devon.

Nice point of view, a bit different than the run of the mill guide book. The information tended to have more detail and more historical background. Some of the places recommended were no longer in business, but that would be more reflective of the economy than the quality of information in the guide.

Good guide...a bit heavy to carry so I cut pages out for the area I visited..
