Was not a fan of this book for a 8 year old. Content was not age appropriate

Not a regular diary, but my granddaughter did seem to like it somewhat

My 9 year old is having so much fun with this!

cute and good quality

This has become my go-to gift for my daughter's tween friends. It's full of color and fun things to do. Girls (and I am sure some boys) can learn about themselves, discover meaning, and feel proud of who they are! It's small in size so easy to take along in a purse or backpack and really can't go wrong on the price of this. I've bought others but this one is the best hands down!

This book is very cute. I always love when you can purchase a journal that asks questions to help guide you what to write. Questions also help you log things that you may have never thought about writing in the first place.

My 7 year old daughter loves this book. It's very cute. Pages and pages of all kinds of questions they can answer.

such a cute journal for any girl. would make a great gift. got this for my 9 year old and she has really enjoyed filling it in. will be ordering another one for my 7 year old, great for them to keep to look back on when they are older.
