This is the greatest book,a wonderful written book of my hometown,I lived there for 25 yrs.but even I learned some history of the city

fast and in time.. very well. very good . i think it is very good , I received this product on time and in very safe packaging. Cutting a watermelon was the first opportunity to use it.It sliced through the whole melon easier than any product I've owned before. Can't beat that. I'm happy.
