Customer Reviews

We just went recently visited Vegas for the first time. My fiance and I tend to buy postcards from places we've visited. While shopping for one, we realized that we couldn't find one without any glitter! So, I went on and found these. It works out great! They have a great vintage look to them. The only reason I didn't give them 5 stars is due to only really only liking 2 out of the whole book.

I am sure this is a fantastic item, but it was never delivered to me so I can not accurately rate this item.

These cards are great. Liked all the pictures, color, etc. I would definately recommend these cards to others. Great item.

These postcards are really great! We really love them
