Synopsis

Knitting is finding a new generation of enthusiasts. More and more kids of all ages are interested in knitting and creating their own special clothing and accessories. Finally! A collection of knits for girls and teenagers that suits their relaxed, comfortable, style! From high-textured cabled ponchos and sweaters to stockinette tops and dresses to warm, comfy coats, these pieces all share a carefree style your girls will love. Sized from 6 to young juniors 12, the patterns reach an often-missed generation of girls between toddler and adult. Yes, this age group can be tricky to please, so get them involved! Let them choose the pattern, the yarn, the fit (body-skimming or looser), and especially the color(s). Encourage them to personalize their design with the choices they make. Once exposed to the joy of creating a unique piece of hand-made clothing, they may even want to learn to knit for themselves!

"Knits for Girls and Young Juniors is a book with a specific audience in mind.: young ladies. The sizes range from 6 to 12. The upcoming book provides 17 knits I am sure you will want to make for that special young lady in your life. Ahhh to be young again. I love a themed book, so Lee Gant hit the nail on the head for me. The patterns, I love them all. I want to reverse time and make my Shelby a teenager again. LOL! If you are anything like me, the pretty pictures make you Ohh and Ahh. The photography in this book is breathtaking. The textures and colors just jump off the

page. When I purchase a book of patterns, variety is key. I want to have choices and Lee nails that part as well. The patterns include cable and color work. This book gives you dresses and skirts, coats and scarves! It is 100 plus pages of "oh I have to make this, and this and this one too!" I promise you will be digging in your stash to see if you have enough to cast on NOW! The other great thing is all of the patterns have easy to follow instructions. You know how you nod your head in agreement when you read a pattern? NO? I am the only one that does that? Ready to order your copy now? OK, you order and I am going to search for a shrinking machine so Shelby can wear some of these patterns. Knit on my fiber friends "knit on." GG, knitter and founder of GGmadeit "Lee Gant's new book, Knits for Girls and Young Juniors, has a wide variety of styles and sizes. The oversized sweater & poncho are our favorites from this book. If you have a girl or young junior in your life, definitely give this book a look. You're sure to find a pattern you'd love to knit." GG, Geeky Girls Knit, website and podcast

I love, Love, LOVE this book!!! Can't wait to knit these projects for my granddaughters. The patterns are new, fun and 'hip'. They fill the void of knitting patterns between youth and adult sizes.

I received my book in the mail yesterday and I'm blown away by the patterns! The patterns are written so well. It's going to be difficult to decide which project to start first. My 10 year granddaughter fell in love with so many of the designs. I highly recommend this beautiful book to knitters of every experience level.

Purchased for a gift. Loved the photography. Seems like it would be very easy to follow the patterns. Now just make patterns for the men, you know... sleeveless knits for the buff guys!

I just received my copy today and I love the patterns in this book. Now which 1 to start first

Just got this today and can't wait to knit the beautiful patterns for my granddaughters!
