Customer Reviews

I got this calendar and had been enjoying it until now, when i realized half of march is non-existent. The days are sometimes in the incorrect order, there are many days missing, I'll wait and see how the rest of the year is but this is quite unacceptable.

I love this calendar. I keep it on my desk at work and make sure I look at it daily. Then I write the quote on the white board for my students to see. As most of them are either words of encouragement or words of wisdom to incorporate into your life. My college students like to read the quotes and it gives us a conversation starter.

In 2015, I received this as a Christmas gift. I loved it so much, I bought myself one for 2016

assuming there would be new quotes for the new year. Not so much. Although they were mixed up a bit, it is the same recycled 2015 year of quotes. I was disappointed. On a positive note, if this is first time purchase, you will love it!

fine desk calendar - gave it as a gift!

This is a great desk calendar. I work with a remote team and found this to be a great way to share motivation weekly by sending the quotes via email. Looking forward to a similar product for year 2017!

Great for the office, with inspiring quotes to keep you motivated in the work place. Great as a gift or a personal calendar to keep you thinking....

You used to be able to find several calendars like this one each year. Now it's tougher to find good "quote" calendars. I am enjoying the particular page-a day.

This is a calendar for last year!!! Ugh!
