90 Devotions For Kids In Matthew: Life-Changing Values From The Book Of Matthew (Adventures In Odyssey Books)

Synopsis

The second in a series of four “90 Devotions” books from the writers of Adventures in Odyssey, these devotionals provide a fun way to teach children about God’s Word and make the truths of the Bible accessible at a young age. Based on the book of Matthew, the 90 devotions in this volume will help start children on a path toward regular time alone with God, as well as provide a sound biblical resource for parents to use as they interact with their kids and spend time together as a family, reading and learning scripture-based truths.

Customer Reviews

As a homeschool mom, I use this devotion for some good talking time with my two boys, ages 8 & 9. There are a lot of references to the episodes of Adventures in Odyssey series, which we don’t fully understand because we don’t listen/watch very often. But the stories are applicable to a kids life, even if you don’t know the back story.

So far this devotional has met our expectations. My children aged 12 and 9 enjoyed the first 90 day devotional from Adventures in Odyssey and we were looking for another one. We tried the mealtime devotional from Adventures in Odyssey and were disappointed. This one is based on the book of Matthew. One portion of Matthew is read each day and then the devotional gives a story or some

example that relates to the passage. It holds the kids attention as well as teaches them truth.

I was looking for something somewhat in depth but not overwhelming. Easy enough for one child to help read and the other child to not tune out. Keeps us on track through one book and when its devotion time my kids ask to take turns reading it.

All five of our kids enjoy this devotional and it's not too cheesy for Mom & Dad either. Would also recommend the Adventure In Odyssey CD lessons. They don't go together, but are both useful resources.

My 9 year old son loves reading these devotions each morning. They are clear, concise and really help him understand God's Word. We've had some great discussions. The daily challenge portion helps him put what he has learned into action.

incredible for studying God's Word and tying scripture to every day life. great to open up conversations that matter with your kids. Best devotional I've ever used with my son.

Good price!!

I read this with my 9-year old son and we enjoyed it a lot! It's easy for kids to understand and follows the Bible very clearly!
