Howard Clinebell, formerly professor of pastoral psychology and counseling at the School of Theology, Claremont, California, authored several books published by Abingdon Press. He was considered an authority on the subject of counseling persons with addictions. Bridget Clare McKeever, SSL, Ph.D. is a Sister of St. Louis; spiritual and retreat director; author; and pastoral care editor of Gleanings. She is also a former student of Howard Clinebell.

I am enjoying the content very much. My issue is with Kindle edition of the book. Apparently, you can't do text searches because the book isn't indexed yet. EXTREMELY ANNOYING because in the Kindle edition there are no pages (naturally) for the index terms in the back of the hard copy book. The Kindle edition just lists the terms with an explanation that we're supposed to use the text search feature in the Kindle version, which doesn't work!!! Does anyone else with the Kindle edition have this same issue?

This book is a must have for all pastors. If you feel deficient in the capabilities of pastoral counseling, this book is a tremendous resource to help strengthen your awareness to counseling practices and concepts. I would highly recommend that every pastor own this book and use it as a continual tool to sharpen their counseling skills

meeting my needs so far.

Best resource I ever read in its specialization

Excellent for teaching. Excellent for establishing a Christian counseling center.

Like Clinebell's addition of many women's issues, that other older versions left out. Also, believe this one is a needed book on every clergy's shelf!

If you treat it as a manual it's great. If you want facts backed up by stories it's lacking in that dimension.

Good reading. Some of the reading is too deep for the advantage reader.
