Hailed as the the Father of Yoga in the West, Paramahansa Yogananda is regarded as one of the great spiritual figures of our time. Born in northern India, he came to the United States in 1920, where for more than 30 years he taught the ancient science of meditation and the art of balanced spiritual living. That same year he founded Self-Realization Fellowship, to disseminate his writings and teachings worldwide. Through his best-selling classic, *Autobiography of a Yogi*, and his numerous other books, he has introduced millions throughout the world to the spiritual principles of yoga meditation and the universal truths underlying all world religions.

This Weekly Engagement Calendar has become a must have for me every year. Each week has an absolutely beautiful photograph, and a very thoughtful spiritual meditation /reflection under each photo. There's ample space each week to note / keep track of appointments, milestones, family events, special occasions, etc. And at the back of the book there's a page for each month. This is the best weekly calendar on the market!

I have regularly purchased large number of "Inner Reflection" Engagement Calendars by Self Realisation Fellowship for last 20 years (as I am a member of SRF since 1988)to gift my family n friends every New Year ! We all love the breath-taking pictures _taken by award winning professional photographers and soul stirring thoughts of Yogananda Parmahnsathat accompany each pictures . They act like daily reminder of a bigger and more important dimension of life ! And help as soothing escape from the hectic daily routine and maddening material world around ! I used to buy directly from SRF , I am glad they are now available at .com too (B. Chopra)

I looked at TONS of planners and actually bought and then returned one before finding this one. I love it, it's perfect size and has enough room under each day to put down every appointment you might have as a busy mom or student. I also love the "inner reflections" for each week which is basically a pretty picture with a quote under it that makes you stop and ponder a minute. It fits perfecting in my purse and my only complaint might be is that it does not come with a ribbon or bookmark to mark your spot in the book, very VERY minor problem for me.

I buy this engagement calendar every Christmas for my sister, my best friend, and myself (among others). It's photos match & exceed Sierra & Arizona Highways each year, but it's the Inner Reflection comments that make it such a precious gift to give & receive. It's a gift that gives all year long and often during the year the recipients will share how much they are enjoying it. It is highly coveted by my spiritual friends. And the good news is always has the best price, plus there's no taxes or shipping costs (when purchasing > \$25:)

Beautiful photos w/equally wonderful & inspirational quotations. Non-denominational & uplifting. It's also a very useful for listing appointments & daily happenings.

This is the 5th year I have purchased the Inner Reflections Engagement Calendar. The layout is

great for seeing your week-at-a-glance. The photography is always exemplary - stunningly beautiful & meditative. The "words of wisdom" that underscore each photo are enlightening, encouraging, & thought provoking. I love this calendar & look forward each new year to experiencing this treasure of a time-management tool.

this is a beautiful calendar that I have bought consistently over the years. I bought 3 for gifts on 12/27/12. I thought it was the 2013. It was my mistake but I can't imagine why you would still be selling the 2012 calendar on 12/27/12. I bought the correct ones when I realized these were the wrong year, but I am out \$60.

I purchase the Inner Reflections Engagement Calendar every year. The photographs in the calendar are absolutely beautiful and each has a spiritual quote beneath it. It's just a very beautiful calendar to enjoy. This year's calendar (2013) has an orange colored photo with a tree on the cover. I highly recommend it.
