The Bible Study Guide: Know Your Bible Inside And Out

Synopsis

Do you want to learn the bible and connect with your faith? Let us help! This Bible Study Guide is a comprehensive, easy to understand guide to the word of the Lord. It will help you learn each of the 66 books in the Bible. For each book, you will be taught the author and date/timeframe that it was written, a two paragraph summary of the most important parts, as well as two key verses that stand out. This is a great resource for anyone!

Customer Reviews

I received this book free for my unbiased review. Very brief summaries of every book in the Old Testament, slightly longer summaries for the New Testament. Each chapter includes a couple verses from that Book, would like to know the reason behind the choice. No personal comments included, which I appreciate. Good grammar and spell-check. Interactive Table of Contents.

Great read, very easy to understand and relatable. I recommend this book because i found it at a time in my life I needed it, and I think you will too. 5 stars

A good study guide for anyone's use. Very helpful

Great little tool to help with Bible study.

Awesome material

This book has a short summary of every book in the Bible. I would highly recommend this as a good reference for everyone especially new Christians.

Very informative. Glad I found it.

I have recently converted to Christianity and I purchased this book as a way to start my journey to better understand the word of the Lord. It was very informative and easy to understand and read. I now have a better understanding of some of the most important verses, time frames and dates in the Bible. I will be sure to carry on reading the next books in the series to learn more and more and I thank the author for allowing me to start my Christianity journey with ease!
