I bought this audio book because I wanted something for my baby to listen to in the car. She is only 9 months old and this gets her attention and soothes her every time. I was concerned about the narration but the narrator is wonderful! He plays the roles of all the characters beautifully and the story itself is one I could listen to over and over. I am engrossed in the story and I know my daughter will enjoy it when she gets older even more than she does now!

The best book ever read in a British accent. What's not to love?

Brand new and the boys are excited to start the story. 4 CDs included!!!!

Fantastic! Michael York is tremendous, reads every word in this unabridged set, and develops a specific voice for each character. The CD divisions line up perfectly with the book's chapters. Excellent teaching tool.

Michael York did a great job narrating this! I thoroughly enjoyed it.

Purchased this for my classroom. Beautifully read. Highly recommend.

Listened to this with my son on a long car trip. It is well done and fun.

A wonderful audio book, puts my daughter to sleep every night.
