Asterix Omnibus 4: Includes Asterix The Legionary #10, Asterix And The Chieftain's Shield #11, And Asterix At The Olympic Games #12

Synopsis

Asterix's millions of fans will want this great anthology, featuring three favorite stories. In Asterix the Legionary, Asterix and Obelix head to battle to rescue Tragicomix, whom the Romans have forcibly conscripted. The two find their friend and cause a BIG commotion, too. It's a race to the finish in Asterix and the Chieftain's Shield as the Romans and the Gauls both try to track down a missing shield that Caesar needs for a triumphant ceremony. Can Asterix and his friends find it first? And Asterix and the Gauls go for the gold in Asterix at the Olympic Games--but their magic potion is banned! Can our heroes win without it?

Grade Level: 4 - 6

Customer Reviews

A cartoon drawn with such supreme artistry, and a text layered with such glorious wordplay, satire and historical and political allusion that no reader should ever feel like they've outgrown it. TIME OUTThe Asterix books represent the very summit of our achievement as a literary race. In Asterix one finds all of human life. The fact that the books were written originally in French is no matter. I have read them all in many languages and, like all great literature, they are best in English. Anthea Bell and Derek Hockridge, Asterix's translators since the very beginning, have made great books into eternal flames. THE TIMES

Rene Goscinny was born in Paris in 1926, and spent most of his childhood in Argentina, before eventually moving to Paris in 1951. He died in 1977. Albert Uderzo was born in 1927 in a small village in Marne, France. He met Rene Goscinny in 1951 and on 29 October 1959 their most famous creation, Asterix, made his first appearance on page 20 of Pilote. ASTERIX THE GAUL, their first album, was published in 1961 and there have now been 35 Asterix albums.

We recently introduced him to Asterix and Obelix, and he's hooked. It's wonderful to be able to buy them in this omnibus format, three at a time, because it not only saves shelf space (we have them all separately, and a lot of them hardcover), but it saves a lot of money, too! My son-in-law, being a barely graduated engineer, loves the shelf-space aspect, needless to say, and my daughter doesn't mind re-reading all her old favorites, either. A perfect present all round. We'll keep collecting, and adding. For those of you unfamiliar with this French comic, it's history with a big grin---Julius Caesar and the Gauls from a whole new angle. Rather irreverent, and I'm sure the Romans could complain if they were still around, but hilariously good fun, and clean, too! Like a graphic novel about adventures in historic times, but with some of the cuteness of the smurfs and the tongue-in-cheek sarcasm of Garfield rolled into it as well, you might say. I can only recommend you find any volume and try it out (doesn't matter much which, there's a nice explanation of the background in the front of each.)

I read these comics as a child over and over again. They are well written and beautifully illustrated, witty and very entertaining. The story follows the members of a small village in Gaul whom resist the Roman Empire by virtue of a super-strengthening potion brewed by their druid Getafix. The heroes of the stories are Asterix (a short, but smart warrior) and his best friend Obelix (a large, boar meat loving, loyal but not smart warrior whom fell in a cauldron of magic potion as a child and as a result has permanent super strength). You can read each comic separately and be able to follow the story, though certain characters do repeat throughout the series. I am buying them again as an adult and enjoying them just as much as I did as a kid. I definitely recommend these comics.

This omnibus contains 3 of the best Asterix stories I've read. I enjoy Asterix a lot and these 3 stories are excellent. Not much more to say about it. Goscinny and Uderzo were at their peak when they wrote these. These books are great for all ages. The tongue in cheek humor becomes all the more apparent for adult readers but by no means is it less entertaining for children! I loved them when I

was a little kid and I love them now as an adult! The binding and format of this collection is excellent. Just buy it. even the price is right!

I've been reading these in English ever since I found an old copy of "Asterix and Cleopatra" at the public library, and I enjoy them as much today as I did then. The puns, the characters, the settings, it all combines for some good fun. These omnibuses (omnibi?) are a nice size and seem to have a good, sturdy binding. If you're looking for some quick laughs, or you want to catch up with your favorite Gauls, this is a good way to go!

Asterix is one of my favorite cartoon series. This was a good collection of three of the stories. While some of the continuing jokes get a bit boring, like not ever letting the Bard sing, the sly humor makes this a keeper and something I know I will reread.

We love asterisk I gave it to my grandchildren we read it in Latin many year avo

Great collection of three Stories. Love it!

My nine year old girl and I share the love for this comic. Growing up I read and read Asterix comics over and over until the next time my abuelito will come visit with a new book. I now have introduced my book worm to it and she can't get enough!
