"The Burlesque

Coloring Book exemplifies all the spirit, sass and fun burlesque has to offer. A little bit campy and a whole lotta sexy, what better way to unwind than to spend time coloring these fabulous beauties? And...no one says you have to stay inside the lines!" --Autumn Adamme, founder of Dark Garden Unique Corsetry

James Courtney is a highly acclaimed illustrator and pin-up artist. His drawings capture the spirit of larger than life personalities and performers throughout the San Francisco Bay Area and beyond. Following completion of his widely enjoyed Kinky Coloring Book series, Courtney leapt head first into the wild and wonderful world of burlesque. There, he discovered characters and contributors that inspired him to draw anew. The result of those efforts is Courtney's most visually-rich creation to date, The Burlesque Coloring Book.

This artist's work is amazing! The personality of the models really shines through. Now the purchaser gets to let their skill show!

Captures some key players in the Bay Area burlesque scene beautifully. Nice thick paper. Super fun!

What could be better than coloring these fabulous humans? I recommend sparkly glitter pens to really capture that burlesque show factor! Countless hours of coloring fantastic curves
