The contestants and judges of MasterChef Season 3.

Loved this book!!!First off I love master chef, and this season of cooks was one of my favorites. I also am a huge fan of Chef Gordon Ramsy. I got this book super quick and started right away. The

layout was so easy as were the different recipes from the contestants through out the season. The first thing I made was the carrot soup and soda bread. It was so easy to understand and put together. By the time I was done with cooking it smelled amazing and my family was ready to eat. Needless to say it was a huge hit and tasted amazing , my family ate it so fast and it was so quite while they were eating you could hear a pin drop. Super happy i got this book.

I bought this as a gift for my boyfriend, it arrived early, fantastic quality, good price, cheaper than buying at a book store. Has some great recipes in it that we've tried and loved, they aren't to complex either. It was definitely a good choice and I'll be buying products from this seller again.

I am a huge fan of the show and so I was very excited to find out they have a cookbook of some of the contestants own recipes. In no time I hope this cook book will help make me feel like a master chef too.

I really enjoyed getting this cookbook. I'm a huge fan of the show and I was excited to see what was in it. I was expecting more practical and easy to do recipes considering all the contestants are "home" cooks. But that aside I did enjoy more than a few of the recipes so far! It has pushed me in the direction of being a more technical cook!

Great book especially those who have followed the season covered

My son-in-law is a fan of Master chef program and loved the book. He is an amateur chef himself and loves anything Gordon Ramsey is a part of.

I am a big fan of the Master Chef TV show and had been anxiously awaiting the new cookbook. It does not disappoint. I especially like that it contains all of the recipes, not just the top three. The personal stories of the contestants and little snippets from the show are a nice touch. I can't wait to work my way through this cookbook!

I bought this for our family gift exchange for the coming Christmas. This looks so nice I am wanting to keep it! So, I might be ordering another one. If you're a fan of the show, this looks really neat.
