Right To Die And Euthanasia (Library In A Book)

Synopsis

The United States, and indeed the Western world, is bitterly divided on the issues of the right to die and euthanasia. This work provides an overview of the history of this topic, as well as the opinions surrounding it, ranging from the trial of Socrates in ancient Greece to the battle over the fate of Terri Schiavo in Florida.

Customer Reviews

... "informative, readable... valuable..."... "exceptionally clear, accessible, and balanced... Highly Recommended."... "recommended for any public or academic library's reference collection."... "a major revision of a thorough work on an essential topic in today's world."... "comprehensive... both public and academic libraries should have this source... Recommended." "This thought-provoking book should be the first resource used to research terrorism... Highly recommended." "Anyone beginning research on prisons could not do better than to turn to this extremely thoughtful and substantive bibliographic resource."... "offers a first-stop research source on a particularly important issue in contemporary America--immigration--for individuals just beginning to investigate the topic. Academic but accessible to the general reader."

B01

The 'Library in a Book' series is designed to be a first-stop research source on current issues, and

thus Right to Die and Euthanasia is the perfect item of choice for the high school or college-level library studying euthanasia ethics and history. The Western world is divided on issues of euthanasia, involving both health care professionals and politicians in never-ending debates. This reader provides a history and analyzes important cases concerning euthanasia in the U.S., and is an essential starting point for understanding. Perfect for classroom debate or library reference alike. Diane C. Donovan California Bookwatch
