Synopsis

The fate of Midgard will be decided. The goddess of Helheim is bent on reclaiming what once was hers. The nine worlds are drawn into war, over Hell, over Earth, with innocent humans as collateral. When all seems lost, Desi discovers the meaning of the spark that lives within her and is offered her final choice: eternal peace or the weight of Thor's Hammer in the battle for Midgard.

Customer Reviews

Really enjoyed this series, it was refreshing to read a book about teens who are choosing to stay pure for marriage. That really stood out and was a nice surprise. Great ending, but wish there were more books about Desi and Michael in the future.

Loved the series but this was my least favorite of the three. As a whole I would give the series a

higher mark, but in this last book it seemed the Desi was pulled away from the action too much for my liking instead of being in the middle of things. Still in all it was a great series and I would recommend.

The growth, depth, and vision of author and characters throughout the 3 books has been incredible. Gotta say my heart sang at the ending and gives hope to Midgard and all 9 worlds. So glad I took a chance on the first book. Looking forward to The Diaries. Thanks for an enthralling read!

This was a very action packed book. I can imagine the seemingly endless battle scene full of death, blood, and tired heroes. Even with the battle taking a good portion of the book, I still saw the development of the characters. The ending was no surprise but it was a good ending. Looking forward to reading more books by Ali Cross.

Very engaging trilogy, and great ending to a good v. evil story.

Yes Awesome Read so exciting and full of hope and love. Desi and Michael are amazing as is the story this author also makes you fall in love with all of the characters

This book concluded the desolation series with an ending that was perfect. Filling me with hope of what our world is and hopefully will become. I think the series and this book are one of the best for young adults that I have read.

I was anxious for their safety and well being and found joy in their triumph over harrowing adversity. Love found in unlikely places, and people, made so many moments sweeter. Very well done and I highly recommend the entire series. "Become", not just "Desolation".
