Customer Reviews

Very, very disappointed. Only 7 songs from the original score. And not the best of them.

I absolutely had so much fun playing out of this book(On my Piano). I love the movie, Broadway production, and Stephen Sondheim and immediately had to order this book. I plan on taking vocal lessons and this will definitely be close to first for me to learn.

After taking a part in this show in the fall of 1998, I fell in love with each character within the show. I desperately wanted the score to the show, but realized that this idea was out of the question because it would cost me (too much money). In theater class, I was searching through scripts and came across this rather thin but thorough script of Sweeney Todd. It's definitely a keeper with all of the rare pictures and drawings that are included in it. Buy it!

This does not have a lot of Mrs. L's songs in it. Which is why I essentially bought it.
