Colon Cancer 101: Empowered In Our Fight Against Bowel Cancer (Empowering Patients) (Volume 1)

Synopsis

This short patient-friendly book aims to fill the information and knowledge void about colon cancer for patients. After reading this guide, you should be better placed to understand the disease and know how to deal with it effectively, from detection to cure. Learn how to prevent, test for and treat colon cancer. Learn about your disease and what it means for you. Read other patients stories. Be ready to ask the right questions to your doctor. Think about becoming a patient advocate or joining a support group. If you find it useful you might like to tell your physician about it, so that he or she can recommend it to other patients in a similar situation.

Customer Reviews

Rachel Knight Rachel has a Masters degree in Clinical Research and enjoys writing scientific information for patients so that it is easy to understand and use at home. Her motivation is to empower patients so that they are able to ask the right questions at the right time to their doctors, and know what options are available to them.
