Poppy Green can talk to animals! Unfortunately, they never talk back to her. So she started writing in order to imagine what they might say and do when humans aren't watching. Poppy lives on the edge of the woods in Connecticut, where her backyard is often a playground for all kinds of wildlife: birds, rabbits, squirrels, voles, skunks, deer, and the occasional wild turkey. Jennifer A. Bell

is an illustrator whose work can be found on greeting cards, in magazines, and in over a dozen children's books. She lives with her husband, son, and cranky cat in Minneapolis, Minnesota.

We love all of the Sophie Mouse books but this one is my daughter's favorite! In the story, Sophie feels jealous when her friend receives a birthday gift that Sophie wanted. She struggles with it for awhile but then realizes it's feels better to enjoy the gift (playing with her friend) than to feel jealous about it. The surprise ending is the cherry on top to make this book another fantastic edition to the Sophie Mouse collection!! We can't wait for the next one!!
