Customer Reviews

I love this magazine. This is an essential read for those Peakies out there who wish to delve a little

deeper than the TV shows & movies. Especially enjoying reads by Courtenay Stallings.

What a surprise for one of the original Wrapped in Plastic guys to start up another magazine, this is fun and a must for all Twin Peaks followers.

The second issue is a must read for all Twin Peaks fans. Interviews with Mark Frost, Bob Engels and Jennifer Lynch, a first hand account of the premier party for The Return, essays on The Missing Pieces and more!

Wonderful magazine--I highly recommend it to any Twin Peaks fan!!
