Customer Reviews

Joe Devine's *Collecting Royal Copley Plus Royal Windsor & Spaulding Identification And Value Guide* packs in a lovely photo gallery of pieces with history and values. Royal Copley is the main focus of the presentation, though some Windsor and Spaulding pieces are presented, and about 85% of everything made at Spaulding was Royal Copley. Collectors will find this a 'must have' reference. -Midwest Book Review

Joe Devine lives in Iowa. He is a retired captain, having served over 23 years as a member of the Council Bluffs Fire Department. He is a serious collector of all Spaulding China Company products.

He is an advisor to Schroeder's Antiques Price Guide and Garage Sale & Flea Market Annual. He enjoys spending time with his children and grandchildren. He has two daughters, Susan and Heidi, and four grandchildren, Taylor, McKenna, Calab, and Connor.

Very helpful, good coverage of subject.

Good reference with prices and nice pictures.

I am a novice collector of Royal Copley and this book is the ultimate guide to collecting it. The book I received was in excellent condition, just as described. I would recommend doing business with the vendor in the future.

I identified one of my Royal Copley pieces using this book. Although I wish it were more informative, it did at least list the mysterious Copley item I had! It is worth it.

great thanks

Thanks.

Great book for collectors! Good condition

Great reference book for my collection.
