As a man who builds his foundation in Christ, it is amazing how this book has helped my marriage in the past few days. Men! we normally will not pick a book such as this and, of course, it was my wife who asked for it BUT we put the kids to bed early and we went over the questions part and it just open the flood gates of laughter and connection. This again confirms that Christ needs to be the center of your marriage. The book is better than a Christian Counselor because we spent 2 hours going over the questions and answers.
