Falcon Guide Portland Walking Guide

Customer Reviews

Very detailed book. Great for planning trip to Portland.

This 2nd Edition resource for seeing places of interest in Portland is much more than a guide to 'get there'. The photos and history have given me a renewed desire to go and see it all. I lived in Portland during the mid-60's and knew the city like the back of my hand, but it has seen so much change, I really appreciate this beautifully designed and illustrated book to help me get re-acquainted. -Emily Blakely, Douglas County, Oregon

I have lived in Portland for 25 years and thought I knew my way around. This new guide has shown me spots I didn't know existed. I love it not only for the ease of use and the interesting histories, but for the extras it gives us. Which walks have a coffee stand? Which are wheel chair accessible? Which are great for dogs? So much more. If you are thinking of hiking around Portland, this is your book!PS- I love the smaller size that tucks in your large pocket or day sack.
