The Man Of Tango

Synopsis

Tango meets dirty dancing in this tale of love on the dance floor. Although hailed as “The Man of Tango,” Angie has never truly felt the deep, fiery passion of the dance until he met Hiro, a half-Latin, half-Japanese dancer who is in no way interested in men. Slowly, Hiro finds himself drawn to the Latin dancer and the seductive beat of the tango, opening his body and soul to their smoldering heat. The revised special edition of Tetuzoh Okadaya’s debut volume, *Man of Tango*, including previously unpublished content. Reads R to L (Japanese Style) for mature audiences.

Customer Reviews

Tetuzoh Okadaya made her debut in 2007 with *Man of Tango*, which quickly became a critical and fan favorite. She has gone on to produce several volumes of manga, independent comics, and illustrations. You can find out more about Tetuzoh Okadaya at her website, <http://okdy.sakura.ne.jp/>, or follow her on Twitter, @_OKDY.

Totally loved this book, I'd have to say that it is an acquired taste but, I still found it enjoyable.

This book was amazing and it had me hooked all the way through. I found myself crying absurdly by the time I reached the end that I just had to call my bestie up to talk about it. This one is oh so steamy but magnificent as well! I am glad I bought it. I highly recommend this one (18+), even for

those non-bara lovers like myself!.

This is been one of my favorite Yaoi Manga that I've read a long time ago and I'm happy they finally put it on the Kindle and the bonus story is a plus

I do not read a lot of Yaoi, but stumbled across this and really enjoyed it. It is pretty sexy but the story is what takes center stage.

Love the book

I love the fact that using the tango in the story, it's has very sexual movie and the three people involved in it was made . I enjoyed that at the end they became a big happy family too!!!!

"Drawn to carry you away in the passionate tango of when a man loves a man" is a great description of this self contained story of cool and confident Angie Almodovar and unsure, lost salaryman Hiro. The story compiles all the episodes of the story and then adds an epilogue, giving a nice ending to the story that so many have been hoping for over the years. The story is a slow burn, more a meditation on life and love than a "let's hop into bed" so prevalent in this yaoi genre. Don't get me wrong - this is a very graphic novel illustrated in a realite type of style. But amidst the dancing and sex, this is really about one man broken by his family and another man alone and unable to bring himself to feel the love his partners give him - before giving up on him and leaving. The story is intelligently written and definitely meant for adults and not giddy teens out for titillation. The illustration style is interesting - a realistic and yet idealistic rendering at the same time. The characters are very solid and beefy - even the women. In fact, I thought the main female character was a male in drag until she was shown wearing a tight tank top. I couldn't imagine anyone hefting that huge amount of woman over their head in a tango (think Russian communist shot putter from the 1970s and you get an idea). But readers of this genre aren't doing so for the women - it's in the men that this really shines. I rate this 4 stars - 1 short of 5 since it does wax poetic a bit too much with the tango metaphors and because of the silly naming (Almodovar for a latin name? Next we'd need a Spielberg for an American or Fellini for an Italian). In all, a wonderful, mature, and captivating love story set in Japan but with a strong Latin influence that the author clearly researched well. Received as an ARC from the publisher.

This one really stands out. There is a maturity and depth in the characters and story line which I really like. I did wish there are answers to what happened to certain supporting characters, a puzzle easily forgiven once you read the mangaka's notes of all that had transpired during the years of serialization. I love the romance and chemistry between Angie and Hiro and I am so glad the sex scenes are completely uncensored. Explicit, hot, sexy and sensual it is every yaoi fan's dream, lol... Wonderful artwork and I am talking about real men physiques here! But the story is more than a gay romance, it is also about a great bond among 3 friends and the epilogue is just so impactful and touching. It has been a while since my last Yaoi and I am so glad to have this one in my collection.
