Disney: My First 1000 Words: A Picture Wordbook (Disney Learning)

Synopsis

Disney characters invite children to discover the world of words in a new and magical way with My First 1000 Words. Thematic environments such as Beauty and the Beast's "Be Our Guest" and The Lion King's "Jungle Animals" bring a real-life context to language learning. Accompanied by lively and colorful illustrations, each featured word also provides children with a visual and contextual clue about important word meanings. Additional Search-and-Find activities included in each section further serve to engage children in language learning. My First 1000 Words has been created as an essential beginning reference tool for preschoolers to help develop language skills, such as letter and word recognition, reasoning ability, sequencing, and categorizing.

Customer Reviews

My son loves the characters from disney so that book is oerfect for him. He us learning new words enjoyins his favorite disney friends!

The book was gently used, but has all its pages. My son enjoys it very much. Thanks.

I love this book. When my boys were younger they did too. Unfortunately my daughter isn't as much into it as her brothers were but that may change now that she's getting more excited about books.

A perfect book to keep a toddler busy for hours. We play "I spy" and enjoy each page. It covers everything a toddler needs to know with all the familiar Disney/Pixar characters. We love it!

The book was in very good condition and I gave it to a friend who recently adopted 2 boys from Haiti. I thought she could use it to help them learn English...and the boys are loving it!

My granddaughter loves this book. Her old one was worn out from her taking it every place. Thank you for making her day. Will buy from this seller again

the ones we have are small, containing no more than dozen words per spread and my 3yr old gets bored with them quickly. This book is PACKED with pictures, it keeps his attention for a long time, and I will be using it to teach him both english and croatian words. Really nice book.

This is a favorite book among my daycare children. It's a fun way for them to increase their vocabulary
